

## Vauhti Varikko Drop-In Cams For Cforce 1000

Drop-in camshafts are designed to work with the stock heads and valve springs. For best performance follow our steps for upgrading your unit. Cams are bolt on parts for engine but your unit needs bigger Exhaust Headers, High Flow Intake Manifold, Cold Air Intake and Ecu tune to make more power with these.

### **FOR RACING USE ONLY!**

For expert users only!

**FOR OFF ROAD USE ONLY!**

**NO WARRANTY PRODUCT!**

There is no warranty stated or implied, due the unusual stresses placed on racing/performance parts and because we have no control over how they are used. This warranty is in lieu of all other warranties expressed or implied, including the warranty of merchantability and fitness for use and all other obligations or liabilities on the Company's part. The obligation of Vauhti Varikko under this warranty shall be limited to the part or parts shown to be defective and the Company will not be responsible for any damage or loss caused by delays, failures or any consequential damage arising from any cause whatsoever, nor for labor, transportation or any other charges incurred in the replacement or repair of said defective part or parts.
